Dear Dr. Anita,

Thank you very much for your letter dated 24 July 2014 in which you are inviting me to be Guest of Honour at the inauguration of the World Biodiversity Congress to be held in Colombo, Sri Lanka, 24 – 27 November 2014. Your letter was delivered to my office during the holiday season.

It would have been great pleasure to attend this important Congress but due to previous engagement at the same time I apologies for not being able to be with you.

I wish you all success and hope this Congress will contribute effectively to the global efforts in conservation biodiversity around the world and using our nature resources justly and sustainably.

I thank you and look forward to meet with you in future events.

Sincerely, السيد
